

# **JOIN CAWA NOW!**

Help us mobilize California women for social, health, and economic justice

## **THE CALIFORNIA WOMEN'S AGENDA (CAWA)**

**"A Network that organizes, not an organization that networks"**

To join CAWA, please print and complete and return this form.

**Membership as a CAWA partner organization, the network of more than 600 California organizations serving women and girls, gives you these benefits and connections to:**

- county and state leaders and activists
- intersections with partner organizations locally and globally working on common critical concerns
- inclusion in the US women's agenda and the UN global women's agenda (Beijing Platform)
- late breaking information on pending, current and proposed legislation
- collective action alerts for a larger voice
- announcements of strategic community activities and events
- mass and independent media and internet resources
- links to key websites, blogs, flogs, listserves, and online directories
- access to funding partnerships and collaborations

**Join CAWA in building a strong statewide action network — real and virtual —  
dedicated to maximizing the power of women and girls to influence public policy.**
